

Here are the promised pictures of SALAM Children's Home's Christmas celebrations held on 21st December. Our heartfelt thanks to those who donated specifically towards this.

The SALAM kids performed song and dance items to local supporters and guests. They had a feast of rice, noodle and meat dishes, fruits, cakes and pastries, all funded by Direct Aid. They had a fantastic time and received personal gifts from both Direct Aid, Australia, and Canggu Community School here in Bali.

The kids played hilarious games and won various prizes, then the leftover food was brought out again as they were hungry after all the night's excitement! It was the most lavish Christmas they have ever had and several publicly thanked God for His blessings towards them.
