

SALAM Children's Home Newsletter

Well 2007 is turning out to be a great year. We have had many guests drop in to say hi to the children. Also we have a new staff member Maria and her 4 month old daughter Kezia now living on site. Maria will be doing most of the cooking to help lessen the load on the other staff. It is great to have her and her daughter here. The kids love having a baby around the Children's Home.

The children are all hard at the books studying as we come up to another testing period. Thank you so much for all those that have donated for the children's tests. Please pray with us that we would be able to raise all the funds needed to pay for the tests for our 10 students graduating this year. So far we have raised \$1425 AUD of the \$2140 needed.

This last month we had an amazing blessing here at the Children's home. A group of Children in the Netherlands raised some money for the kids here to have some time off. We took the kids to Waterbom which is a waterslide park here in Bali and has some great slides. The kids had a blast running around and enjoying all the things to do. This was something completely new to them and they were really amazed by what they saw.

As well this month we have been able to welcome back Matt and Alicia Trevatt and their family. Matt and Alicia are head of the steering committee for Salam Children's Home and have just come back to Bali from Australia.

Please pray for us as Cyclone George is now headed our way after hitting Western Australia. We have had high winds here and some trees have been knocked over. Please pray for the safety of the children.

Please Read the attached needs list and have a look at the new photos of the kids!!!!

Warm regards,

Jonathan and Meri Ford
for SCH Steering Committee.
